102 responses

I feel this class moves at a pace I am comfortable with.

102 responses

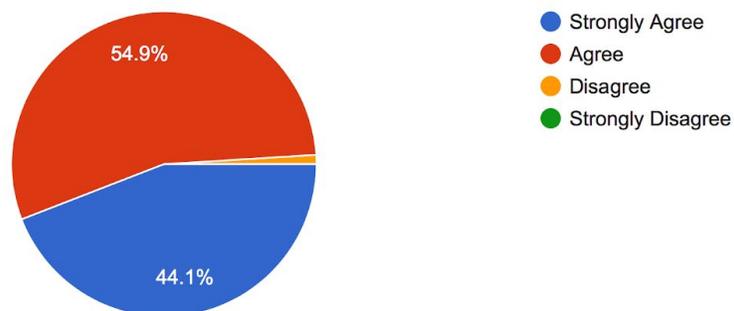

The grades I received are grades I feel I earned through the effort I put forth.

102 responses

Our tests and assignments have covered material we covered in class.

102 responses

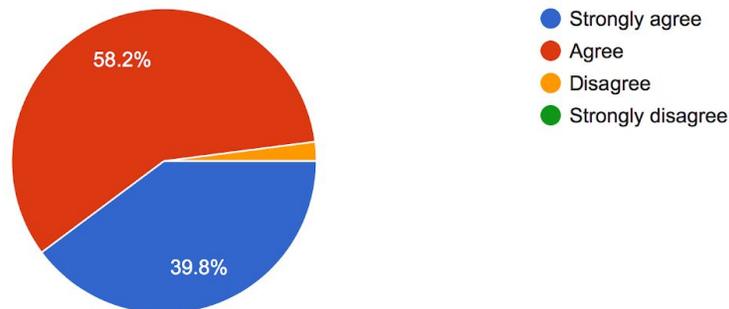

### Additional Comments from the English survey:

- I would like to share that I love all my teachers and they should keep doing what they are doing and don't change anything.
- I think that my English class has given me confidence because we have to read out loud and share with other people and I don't really like that, but reading out loud has gotten me used to talking to other people in front of the whole class.
- I really enjoy English class and I wish we would do more hands on activities.

### Math:

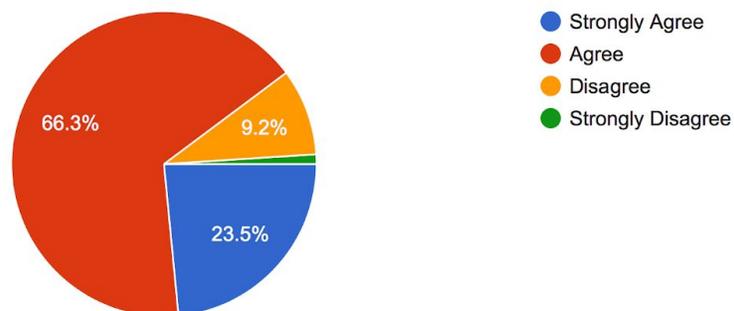

I feel my teachers expectations are attainable (reachable).

98 responses

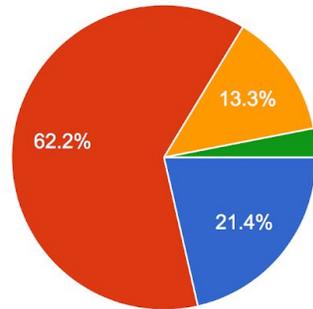

My class is rigorous and challenges me.

I feel the hands on and lab experiences in this class help my understanding.

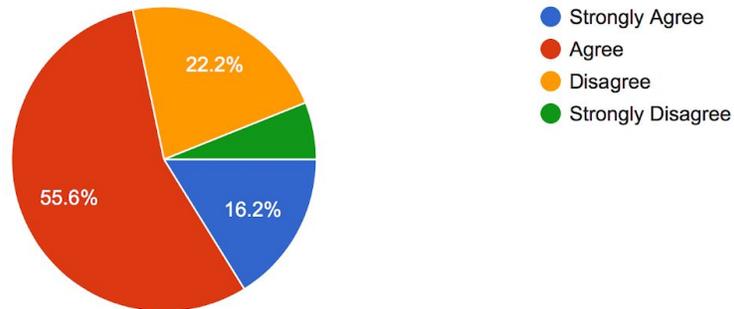

99 responses

- Strongly Agree
- Agree
- Disagree
- Strongly Disagree

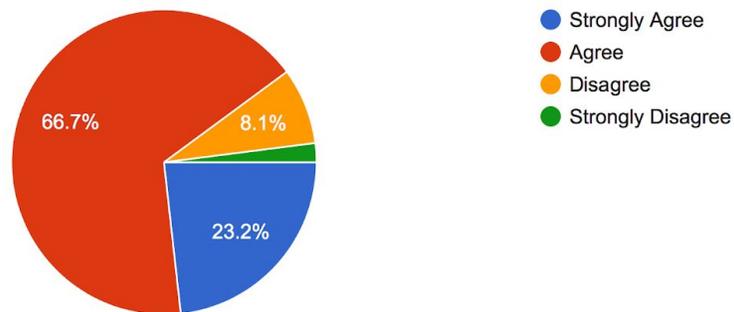

I feel the number of labs in class are the right balance with lectures.

99 responses

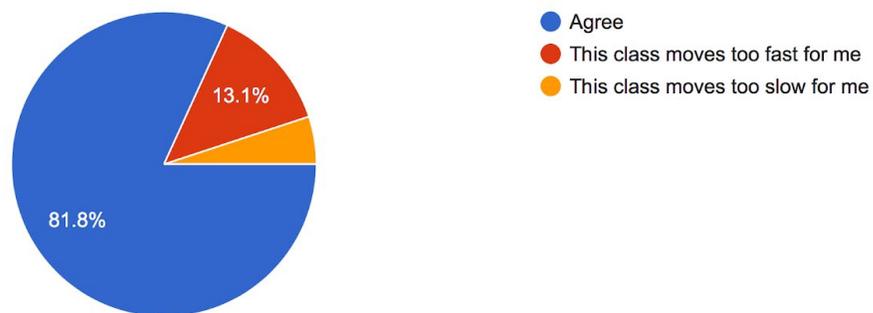

This class is rigorous and challenges me to think critically.

99 responses

I feel comfortable with the pace of this class.

99 responses

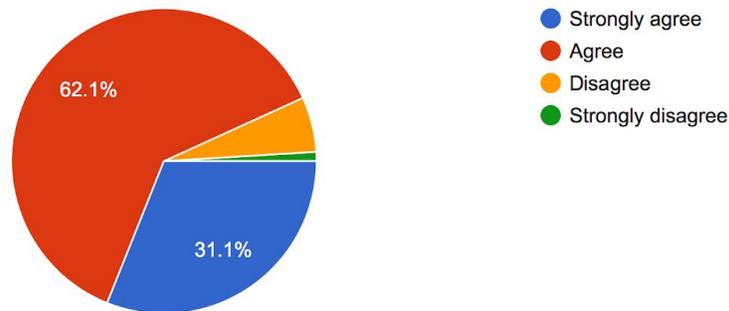

Additional Comments about the science survey:

- Nothing really other than a bit more labs, but I think they are gonna come.
- She responds fast, she explains what and why you got something wrong and gives us a lot of practice before we test.
- I like the class but it can be hard to keep pace with harder parts.
- This class was really fun even when we got to do the experiments.

**Social Studies:**

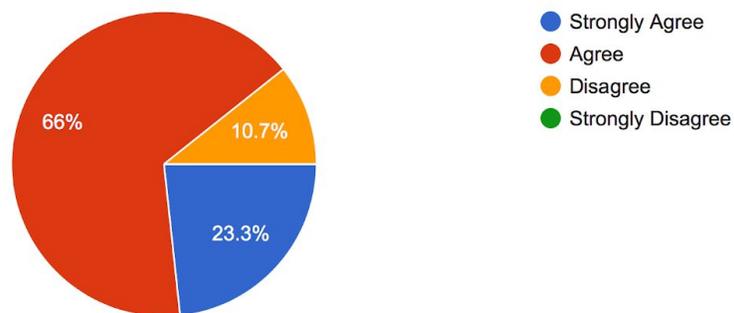

I feel my teacher's expectations are attainable (reachable)
