

CA at Home Survey Feedback

Do you feel our communication was timely and adequate?

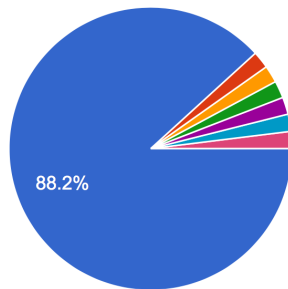

51 responses

- Yes
- No
- I will say some are more timely than others. I also respect everyone has a 'life'. From my understanding, which does not go very deep, the teachers should have been a little more prepared for this situation. So, I would have to g...
- We did have technology difficulties. I emailed the IT and never got a reply.

We encourage a balance of synchronous learning/teaching (engaged whole class time) and asynchronous learning/teaching (independent stu...roach of synchronous and asynchronous learning?
